Stereo Upgrade

We are currently working on an on-line ordering system. Please call Cecil, John, or Scott at 904-862-1215 or email sales@qualityparts.com to order anything you see here.

The parts needed to install the BMW stereo upgrade are listed below. Note that for vehicles produced through May 1996, part number 99-00-0-000-369 (Amplifier Bracket Kit) is not necessary. For instructions on installing the stereo upgrade, please see the [Tech Tips](#) page.

There are three possibilities for the stereo upgrade. The first is that you have a Z3 produced through May 1996. The second is that you have a Z3 produced after May 1996. The third is that you have a Z3 produced after May 1996, and you ordered option "673" with your car, which means you already have the subwoofer, but not the rear midrange speakers.

Quality Imports price	List price	Description
\$273.78	\$326.80	Stereo upgrade for Z3s produced through May 1996
\$282.56	\$337.30	Stereo upgrade for Z3s produced after May 1996
\$152.95	\$181.80	Stereo upgrade for Z3s produced after May 1996 that already have option "673" installed (subwoofer)

The prices below are for single parts should you wish to order them for some reason. Also note that when ordering, please specify whether you need the black or beige subwoofer cover.
